

# Request for Waiver of Teacher Credential

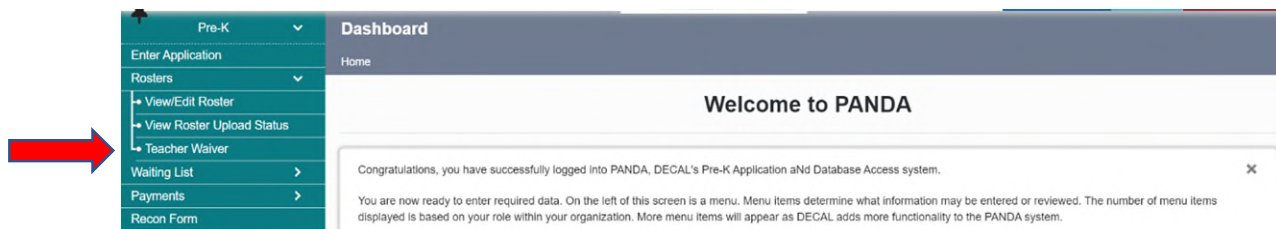

**Lead and Assistant Teacher Credential Waiver:** Providers are required to staff the classroom with teachers that meet the credential requirements outlined in Section 12.3 and Section 13.3 of the *Pre-K Providers' Operating Guidelines*. Providers that are unable to fill a vacancy with a sufficiently credentialed lead and/or assistant teacher may request a waiver. In order for a program to request a waiver, the teacher must meet the following requirements:

- Be enrolled in a credentialing program prior to the submission of the waiver request. Documentation must be available for review.
- Must be registered in the Georgia Professional Development System (GaPDS).

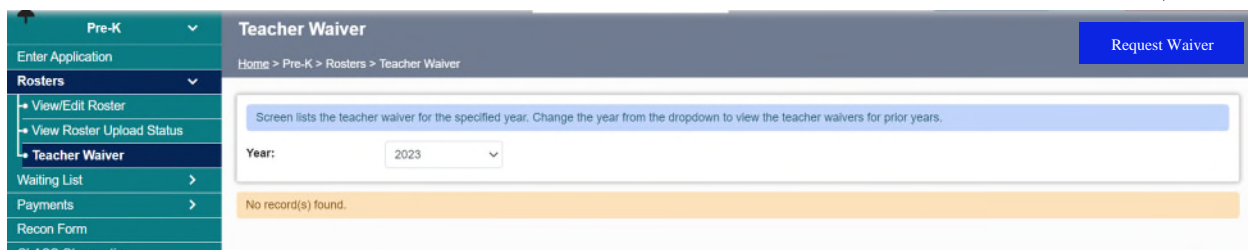

To request a credential waiver, go to the PANDA website at <http://www.dec.al.ga.gov/panda>

Log in using your user ID and password. You will need Provider Management rights to access the teacher waiver function (this is usually the Project Director).

From the menu on the left, select **Pre-K > Rosters > Teacher Waiver**.

Click on **Request Waiver**
